

Quick release hook - art. 2503/I

* Reference standard	UNI 2503 (UNAV 4208)
* Type of steel	Aisi 316 L (X2CrNiMo18-14-3) - W.N. 1.4435 stainless steel
* Design factor (F.O.S.)	4 : 1
* Standard surface finish	Polished
* Applications	Applications, mainly marine, in which a quick release of hook is requested
* Warnings	They don't open under load

Dimensional tolerances

The dimensional tolerances on forged components according to UNI EN 10243-1 apply

Technical data

code	designation d	WLL t*	measures mm				weight per pc. approx. kg
			height a	width b	width c	length l	
T-FVSCI08	8	0,25	102	56	28	34	0,224
T-FVSCI10	10	0,4	126	66	35	40	0,422
T-FVSCI12	12	0,63	151	80	42	50	0,722
